

# César Axel

## CV

Mexican artist, has exhibited in Switzerland, the United States and Mexico. Graduated from the Monterrey Technological Institute and Higher Education (ITESM) with a degree in Animation and Digital Art. He is currently studying the Master in Arts Visuels at the École cantonale d'art de Lausanne (ECAL) in Switzerland.

Césa Axel analyses how new systems rely on the appropriation of past visual grammar and how attempts of bringing past structures into our present are being made through aesthetics which promise us another future.

He also co-founded OSSMO with Jorge Vargas, a contemporary art collective, in order to explore the link between music and community through new media. He also co-runs and does communication duties for Espacio Cabeza, a nomadic art platform, with fellow artist Juan Carlos Guerrerosantos
